What I think I know of Spain.

There are a lot of parties. Maybe not so much partying but a night life. Flamenco is a big part of their culture as is paella. I know they have siestas but ~~before~~ before I came here I wasn't sure why. There actually wasn't much that I knew about Spain but I heard it was beautiful. I also know there is a deep history & connection with the Catholic church. The festivals are extraordinary but always seem fun. As for the everyday Spanish I think they know how to live life. Wine is also part of their culture, or at least I think so.

I'm not you know now, tho!
